

A REPORT ON ORANGE SPLASH DAY

Date: 26/10/2018

Tiny tots from the Pre-Primary wing of Vasavi Public School celebrated Orange Splash day to show their awareness about the colours. By wearing Orange coloured clothes they have learnt about the environment related to fruits and vegetables, which are available during this winter season.

The class rooms were decorated with orange colour balloons and orange colour pictures of various on the bulletin boards which would enable a child understand the concept of orange.
